

# A+

## LTS Career Training - CompTIA A+ Certification

A+ certification training packages fully prepare you for the A+ Essentials and A+ Practical Application exams. The A+ exams focus heavily on computer hardware and Microsoft operating systems. Our training courses meet the challenge thru Hands-On training, demonstrations, Intelligent Simulations and Certification Specific Lectures. You can be A+ certified in no time! The CompTIA A+ Certification is the foundational certification that prepares the student for the I.T. Career Level Certifications and creates opportunities for the student as a Computer Technician.
