
Career Services

Computer Training Academy (formerly LTS Career Training) provides Career Services to all students who complete their program. The Computer Training Academy Career Services Department will assist students in applying for careers that match the student's industry qualifications. Contacts are maintained with local and national companies and interviews will be coordinated for graduates who follow the Computer Training Academy Career Services Agreement.

The Computer Training Academy Career Service objective is to work in partnership with all qualified students who successfully complete their program. Computer Training Academy offers the most comprehensive Career Services in the industry.
